I'll be in the office tomorrow, if you can call me around 8:00am, that would work.

Ray, need to talk to you about Group's reaction to the decision to not allow two "observers" at the meeting. As we thought, pretty negative. They have asked you to reconsider, since we've had such attendees at modeling meetings in the past. They are getting into a "principle" mindset, and I'm not sure this is where we both need to have a "red line." Your thoughts??

I'm kind of out of it today...needed a bit of a break, but let me know.

Mike
